

eMobile Deposit Guide

STEP 1.

Download (or update) the most current version of the Northern Skies eMobile App on your mobile devices today! You'll want to make sure that you have a compatible Operating System such as the Apple iOS version 7 and higher or the Android OS version 2.1 or higher.

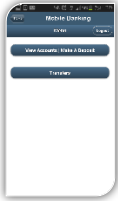

STEP 2.

Click on the Mobile Banking button to log in to eMobile using your eNavigator Online Banking log in information. If you do not have a log in, please contact us by phone, via our website, or visit one of our convenient locations.

STEP 3.

Once logged into eMobile, click on the 'View Accounts|Make A Deposit' button.

STEP 4.

Select the account type that you would like to make a check deposit or payment to.

STEP 5.

Click on the green 'Mobile Deposit' button. Upon your first use of eMobile Deposit, you'll be asked to agree to our eMobile Deposit user agreement. Click 'I Agree' to continue.

STEP 6.

Click on 'Make a Deposit'.

STEP 7.

Enter the amount of the check you would like to deposit.

STEP 8.

Your camera function should now be activated. Snap a picture of the front and back of the check. Please be sure that the check is endorsed and that all corners are in the frame. It is also best to have the check on a flat, solid surface.

CONGRATULATIONS! You have completed your first eMobile Deposit.
