Empowering our grads with bright futures!

One of the ways we love empowering our grads is through the Richard Buzby Scholarship Program. The scholarship was established in 2015, awarding its first scholarship in 2016. This year we awarded three young applicants a total of \$3,500 to help further their education.

But, our giving doesn't stop there! Through our partnership with GreenPath Financial Wellness, graduates and parents of graduates, can access a wealth of financial resources and services to start their next chapter of life with the knowledge, and power of smart financial planning. Services include student loan counseling, student loan debt consolidation, budget counseling, credit counseling, and money management. Visit our website and select Greenpath in our Services & Tools menu to get started!
