A message from our President

Northern Skies is proud and excited to celebrate 50 years of service and dedication to our members this year. Our credit union has experienced tremendous growth and change since June of 1967 when we were chartered as Reeve Aleutian Airways Federal Credit Union. However, one thing has remained the same, our service. Exemplary service is a fundamental value on which our credit union stands. This will continue to be our focus for our 50th anniversary, and in our future.

Our commitment to exceed our member's expectations, as we deliver quality financial services with a family-spirit, remains our mission. We strive to create meaningful and lasting relationships with our members, as you are much more to us than account numbers. As owners, and part of our credit union family, YOU are the very reason we exist. Simply put, without you, there is no need for us.

Our growth and successes would not be possible without our loyal members, our staff, and the leadership from our Board of Directors and Supervisory Committee. It has been an honor to work alongside such incredible and passionate people for the last 27 years. Thank you to all who contribute to our success. We look forward to serving you ... better.

WE WANT TO SHARE HOW FABULOUS WE’RE FEELIN’ AT 50!

Northern Skies is turning 50 and we want YOU to join us for the celebration. We’re asking our members to help us give back to our community 50 times, 50 ways, with $50. Whether it’s paying it forward at your favorite coffee shop or donating $50 to a local charity we want our members to submit their creative and fun ideas to give back!

You can submit your idea at either branch or, even better yet, on our Facebook page! Be sure to follow all of our 50th anniversary fun on Facebook and at #nskiesfeelin50.

We’re looking forward to celebrating with you!
Congratulations! 2016 Staff Milestones

We’ve had another outstanding year and are so grateful to have a staff that helps make each year better. This year, we celebrated many employment milestones such as:

Michelle Medina - 10 Years

Please join us in thanking them for their dedication to help make Northern Skies the best it can be!
